"Opening the eyes"
Pastor Rick Abma

Welcome Guests! We are delighted you have chosen to worship with us today. It is our prayer that you experience the love of Christ and His presence during our worship today.

Nursery: We offer a supervised Nursery located off the side of the main entrance for babies and toddlers. As well as a Cry Room for parents with babies located behind the sanctuary.

Sunday School Today:
Preschool Class, Children & Worship and Gr. 4-6 - Classes are finished for the summer. We wish our teachers and students a safe and blessed summer!
*Please see announcement re. preschool classes for the summer months.

Pastor's Note:

"A friend once shared his weird insight. He said, "You don't know, what you don't know." The obvious statement seemed to go a little deeper when he said it. I suppose that is why we have 'aha' moments, or why we try to get others to, "See what I mean?"

We are approaching the heart of block party month. We would like to make resources available to help make it easy for anyone to start a block party. But perhaps we need to be reminded that the relationships in which we look to engage in our neighbourhoods is of greater value than the block party itself. We can be overly concerned about numbers and getting the 'party' just right at the expense of "loving our neighbours." And it is in the loving of neighbours that we most likely have those 'aha' moments. As a result, some have seen neighbours in different light, some have finally gotten to know them in the first place, and still others have been surprised at how neighbours actually want to engage. But when neighbours eat and share together, it is not uncommon to hear that "their eyes were opened."

Rick Abma
