Accordingly, he'll not preach on Oct. 21, but he will be present that day as he plans to tour the Sunday School classrooms in an effort to support our teachers and build relationships with our younger students.

**\*The Pastoral Team** of Wolf Creek Community Church is pleased to announce that Troy, Addison and Jaron Hamborg will all receive the sacrament of baptism on today! Everyone is invited to attend the worship service to celebrate their baptisms and remember your own.

**\*Rehoboth Christian Ministries** is currently soliciting memberships and donations in support of Rehoboth's ministry to persons who live with disabilities. Your \$10 Membership Fee (per person) and supporting donations insures the continuation of quality services provided in the Lord's name. We are encouraging each person in a family to become a member - children under the legal age of 18 will be non-voting members. A strong membership base is a great benefit to Rehoboth when negotiating funding for the services we provide. You will find a form in your mailboxes to complete if you wish to contribute. Thank you for your faithful support of Rehoboth Christian Ministries!

**\*The Rocky Mountain College Choir** from Calgary will be presenting a concert tonight at the Bethel CRC in Lacombe at 7:00 p.m. This year's choir is better than ever. Be sure you plan to attend this encouraging music evening. There will be an offering to cover the choir's travel expenses.

**\*THANK YOU! THANK YOU! THANK YOU!** To all who helped out with the WE Tabernacle Education Evenings in September!! We could not have done it without you! We look forward to where God will lead us as a church family next year!

## Pastor's Note

In this season of Thanksgiving I want to reiterate how thankful I am to be your pastor. Wolf Creek Community Church is an exciting and enriching place to serve. I'm also thankful for the ministry that the Lord has called me to do here and in the community this fall. Accordingly, let me briefly comment on my pastoral priorities for the next few months. First, I've been called to disciples the junior high students of this church as part of the regular Wednesday evening youth program. We've already completed three classes, and I look forward to spending the next few months with our students as we together seek to become devoted students of Jesus. I've also been called to teach the Old Testament to a grade 5 class at Terrace Ridge School. What a golden opportunity to tell Bible stories to these students as I seek to establish a beachhead in the public school. I also have the privilege of learning more about pastoral care as I, with an elder, take a weekly course called "Neighbors Helping Neighbors," which is sponsored by the Shalom Counselling Centre of Red Deer. Thank you for praying for and supporting me in these current ministry priorities. So what is the Lord calling you to do this fall? I invite you to tell me about your ministry priorities, so that I can pray for and support you in your calling.

The Lord be with you! ~Pastor Leon
