Pastor's Note:

The Sabbatical Leave Comes to an End.

Dear Church Family: I'm writing this note during the last week of the Sabbatical Leave (SL). As I reflect on the last three months, many thoughts and feelings come to mind, which I'm processing right now, and which you will hear about in due course. But the main emotion I feel is *gratitude*. Thank you for allowing me to take this SL. It is a rare gift that I will treasure for many years to come. Through this SL I have been invited to *rest, renew* and *revision* (the three themes or movements of the SL), and all three have occurred in various ways. Again, I will tell you more over the next few months. In fact, I will start talking about the "fruits" of the SL next week, when I begin a four-part sermon series that will address four themes that emerged for me while on SL. I pray that through this sermon series we will be able to study God's Word together as it relates to my experience of Sabbath-keeping. Moreover, I pray that through it you will be able to take Sabbath with me—to have your SL extended for another month. . . So, my story of the SL is coming. But what about yours? How was your SL? You see, as I took a SL, so did the church. So, what was it like for you? . . . I look forward to telling my story. But I also look forward to hearing yours. . . . May the Lord bless and keep you all! I look forward to seeing you in the sanctuary on Aug. 20!

Pastor Leon Johnston

Opportunity for Spiritual Growth: Spiritual growth often occurs when we are able to discuss our experiences of God with another person who is trained in reflective listening. This is the primary activity of spiritual direction. The Studion School for Spiritual Direction is now seeking participants to meet with our second-year students to engage in spiritual direction as part of each student's supervised practicum. If this opportunity interests you, find out more by contacting Pastor Ron Klok.
